JIM WAGNER IS THIS YEAR'S
BLACK BELT
HALL OF FAME
SELF-DEFENSE INSTRUCTOR
OF THE YEAR 2006

JIM WAGNER

Student learns to survive a sniper

**Taught by Black Belt and Budo magazine's
JIM WAGNER**

In 1998 Jim Wagner coined the term "reality-based." He is a former soldier, jailer, street cop, SWAT Officer, diplomatic body-guard and counterterrorist for the U.S. Government.

Do you really know the enemy that you are training your students to go up against in modern conflict situations? Do you have the training and experience in criminal attacks, counterterrorism, Use-of-Force issues, the Assault Cycle, the O.O.D.A. Process, courtroom survival, and a whole list of other skills that a self-defence instructor needs? Jim Wagner does. Take these courses to become a Reality-Based certified instructor, or just to learn how to protect yourself and your loved ones in today's world.

DEFENSIVE TACTICS MONDAY, NOV 13

Everything you need to know about striking, blocking, conflict stances and movement is taught to you in this 8 hour course. In a real conflict you will rely on only a few techniques, the rest is all mental. We'll show you both - and more.

GROUND SURVIVAL TUESDAY, NOV 14

This course is anything but sport-based - it's tactical. We'll teach you how to hit the deck when bullets fly, subject takedowns, tackle defence, ground conflict positions, striking and weapons use from the ground, and recovery methods.

KNIFE SURVIVAL WEDNESDAY, NOV 15

You'll learn the JIM WAGNER DISARM RULE which has been taught to hundreds of elite units worldwide, as well as the 10 angles of attack, the 8 primary blocks, criminal and terrorist techniques, and dozens of conflict exercises.

CRIME SURVIVAL THURSDAY, NOV 16

All your self-defence skills come together in this course where you will learn, step-by-step, how to survive modern conflicts: muggings, armed robbery, gang violence, carjacking, caustic chemical attacks, police contact and courtroom survival.

TERRORISM SURVIVAL FRIDAY, NOV 17

How many self-defence instructors are qualified to teach this subject? Very few. Jim Wagner was a bona fide counterterrorist for the U.S. Government after 9/11. In this hands-on course you'll learn to survive the most likely terrorist scenarios.

Each course is from 8 a.m. to 4 p.m. for students, and 8 a.m. to 5 p.m. for instructor certification. Courses include a detailed training outline and a full-color certificate for framing.

**EACH
COURSE
ONLY**

100 € as a student
200 € to become
instructor certified

You must complete all five courses to become a Level 1 Instructor - a total cost of €1000. However, you do not have to take them all in this one week. Finish the courses you don't take at a future seminar. For those who just want to learn self-defence, and have no desire to teach, you can take any course at the student price.
