JIM WAGNER IS THIS YEAR'S
BLACK BELT
SELF-DEFENSE INSTRUCTOR
OF THE YEAR 2006

Taught by Black Belt magazine's **JIM WAGNER**

In 1998 Jim Wagner coined the term "reality-based." He is a former soldier, jailer, street cop, SWAT Officer, diplomatic body-guard and counterterrorist for the U.S. Government.

Do you really know the enemy that you are training your students to go up against in modern conflict situations? Do you have the training and experience in criminal attacks, counterterrorism, Use-of-Force issues, the Assault Cycle, the O.O.D.A. Process, courtroom survival, and a whole list of other skills that a self-defense instructor needs? Jim Wagner does. Take these courses to become a certified instructor, or just to learn how to protect yourself and your loved ones.

DEFENSIVE TACTICS MONDAY, Dec 4th

Everything you need to know about striking, blocking, conflict stances and movement is taught to you in this 8 hour course. In a real conflict you will rely on only a few techniques, the rest is all mental. We'll show you both - and more.

GROUND SURVIVAL TUESDAY, Dec 5th

This course is anything but sport-based - it's tactical. We'll teach you how to hit the deck when bullets fly, subject takedowns, tackle defense, ground conflict positions, striking and weapons use from the ground, and recovery methods.

KNIFE SURVIVAL WEDNESDAY, Dec 6th

You'll learn the JIM WAGNER DISARM RULE which has been taught to hundreds of elite units worldwide, as well as the 12 angles of attack, the 6 primary blocks, criminal and terrorist techniques, and dozens of conflict exercises.

CRIME SURVIVAL THURSDAY, Dec 7th

All your self-defense skills come together in this course where you will learn, step-by-step, how to survive modern conflicts: muggings, armed robbery, gang violence, carjacking, caustic chemical attacks, police contact and courtroom survival.

TERRORISM SURVIVAL FRIDAY, Dec 8th

How many self-defense instructors are qualified to teach this subject? Very few. Jim Wagner was a bona fide counterterrorist for the U.S. Government after 911. In this hands-on course you'll learn to survive the most likely terrorist scenarios.

Each course includes a training manual and a full-color certificate. Level 1 instructors will be authorized to use the Reality-Based logo and receive instructor support materials.

EACH COURSE ONLY

\$250.00 for instructor certification
\$125.00 as a student

You must complete all five Core Courses to become a Level 1 Instructor. A total cost of \$1,250.00. However, you do not have to take them all in this week if time and money does not permit. You can finish the courses you don't take at a future seminar. For those who just want to learn self-defense from Jim Wagner you can take any course. You can pay by check or money order or sign up online.
