March 17-19 taught by Jim Wagner
Abbotsford, B.C. Canada

In a real knife attack the victim is usually seriously injured in the first second of the attack, and the fight is over within five seconds. Knife attacks are increasing in Canada and you need to know how to survive one.

Jim Wagner literally has the best knife defense system in the world, and elite units all over the world use his techniques and training methods. He has trained the Israeli Police Academy, the Finnish National Police Academy, FBI, the Brazilian GATE, Argentinean GOE, the Justice Institute of British Columbia, and more. **You can sign up for just Knife Survival or all of them.**

DAY 1 - Saturday, March 17, 2018 \$95

KNIFE SURVIVAL You will learn, by-doing, how to survive realistic criminal and terrorist knife attacks. You will learn how to do self-triage and first aid for knife wounds. Jim Wagner will teach you the 10 striking angles and 10 blocks for all incoming slashes and stabs. You'll also learn how to do disarms in very confined spaces. 8 hours **Visit YouTube and go to jimwagnerrbpb**

DAY 2 - Sunday, March 18, 2018 \$200

KNIFE EXPERT By the end of this course you will be an expert. You will learn how different groups from around the world attack their victims. You will also learn double knives, machete, & more. 6 hours

DAY 2 - Sunday, March 18, 2018 FREE Identification required

TACTICAL KNIFE RESTRICTED to security personnel only. This is a two-hour course that follows the Knife Expert course.
