**TRAINING IN REALITY BASED PERSONAL PROTECTION FOR SPECIAL
ANTI CRIME UNIT PERSONNEL**

On behalf of the Director Special Anti Crime Unit of Trinidad and Tobago I wish to formally express our deepest and most sincere appreciation for your contribution to the tactical reality based development of our personnel. Your training course which was conducted at the SAUTT Training Base, Trinidad, West Indies from 29 September to 02 October 2009 was very powerful and impacting.

The areas of Knowledge Domain, Crime Survival, Defensive Tactics, Ground Survival, Handgun Survival, Knife Survival, Terrorism Survival will be used to develop our SAUTT Defensive Tactics Program in the very near future.

Your series of training in How to Beat Various Fighters, The Most Important Self Defence Lessons and Conflict Conditioning were the crowning glory of your program here in Trinidad. I am sure that the knowledge, skills and abilities gained by the members of the Unit will be used to achieve the mission of combating crime and creating a more secure and protected Trinidad and Tobago.

Best Regards

Major [REDACTED] PhD MSc
Assistant Director Training and Development
