TO: Staff Sergeant Jim Wagner
CSMR

SUBJECT: Letter of Appreciation

I appreciate you meeting with President George W. Bush today in the Oval Office of the White House in Washington, D.C. as the Military Liaison Leader for Project Prayer Flag.

Since the beginning of this organization, an initiative managed under the Department of Defense's Community Relations Division, you have been a constant support with our efforts in supporting our troops in Iraq. You have contributed your time, talent, and even military material.

In addition to your work with the DOD-*"America Supports You"*, you were also selected to represent this organization at our nation's capital in appreciation for the training you have given to Army National Guard troops for both combat missions abroad and missions at home.

We appreciate your continued role and support of our Military men and women who serve throughout the world in defense of our Freedoms.

We thank and honor you for your efforts.

Sincerely,

Shawn Black
